Foreword

This yearbook was designed and printed with you, the students in mind. We of the 1952 BLUFF staff have tried to present all phases of school life in a most vivid manner, with prejudice toward none. If this book helps to bring you happiness in the years and decades to come, then our task has been a success.

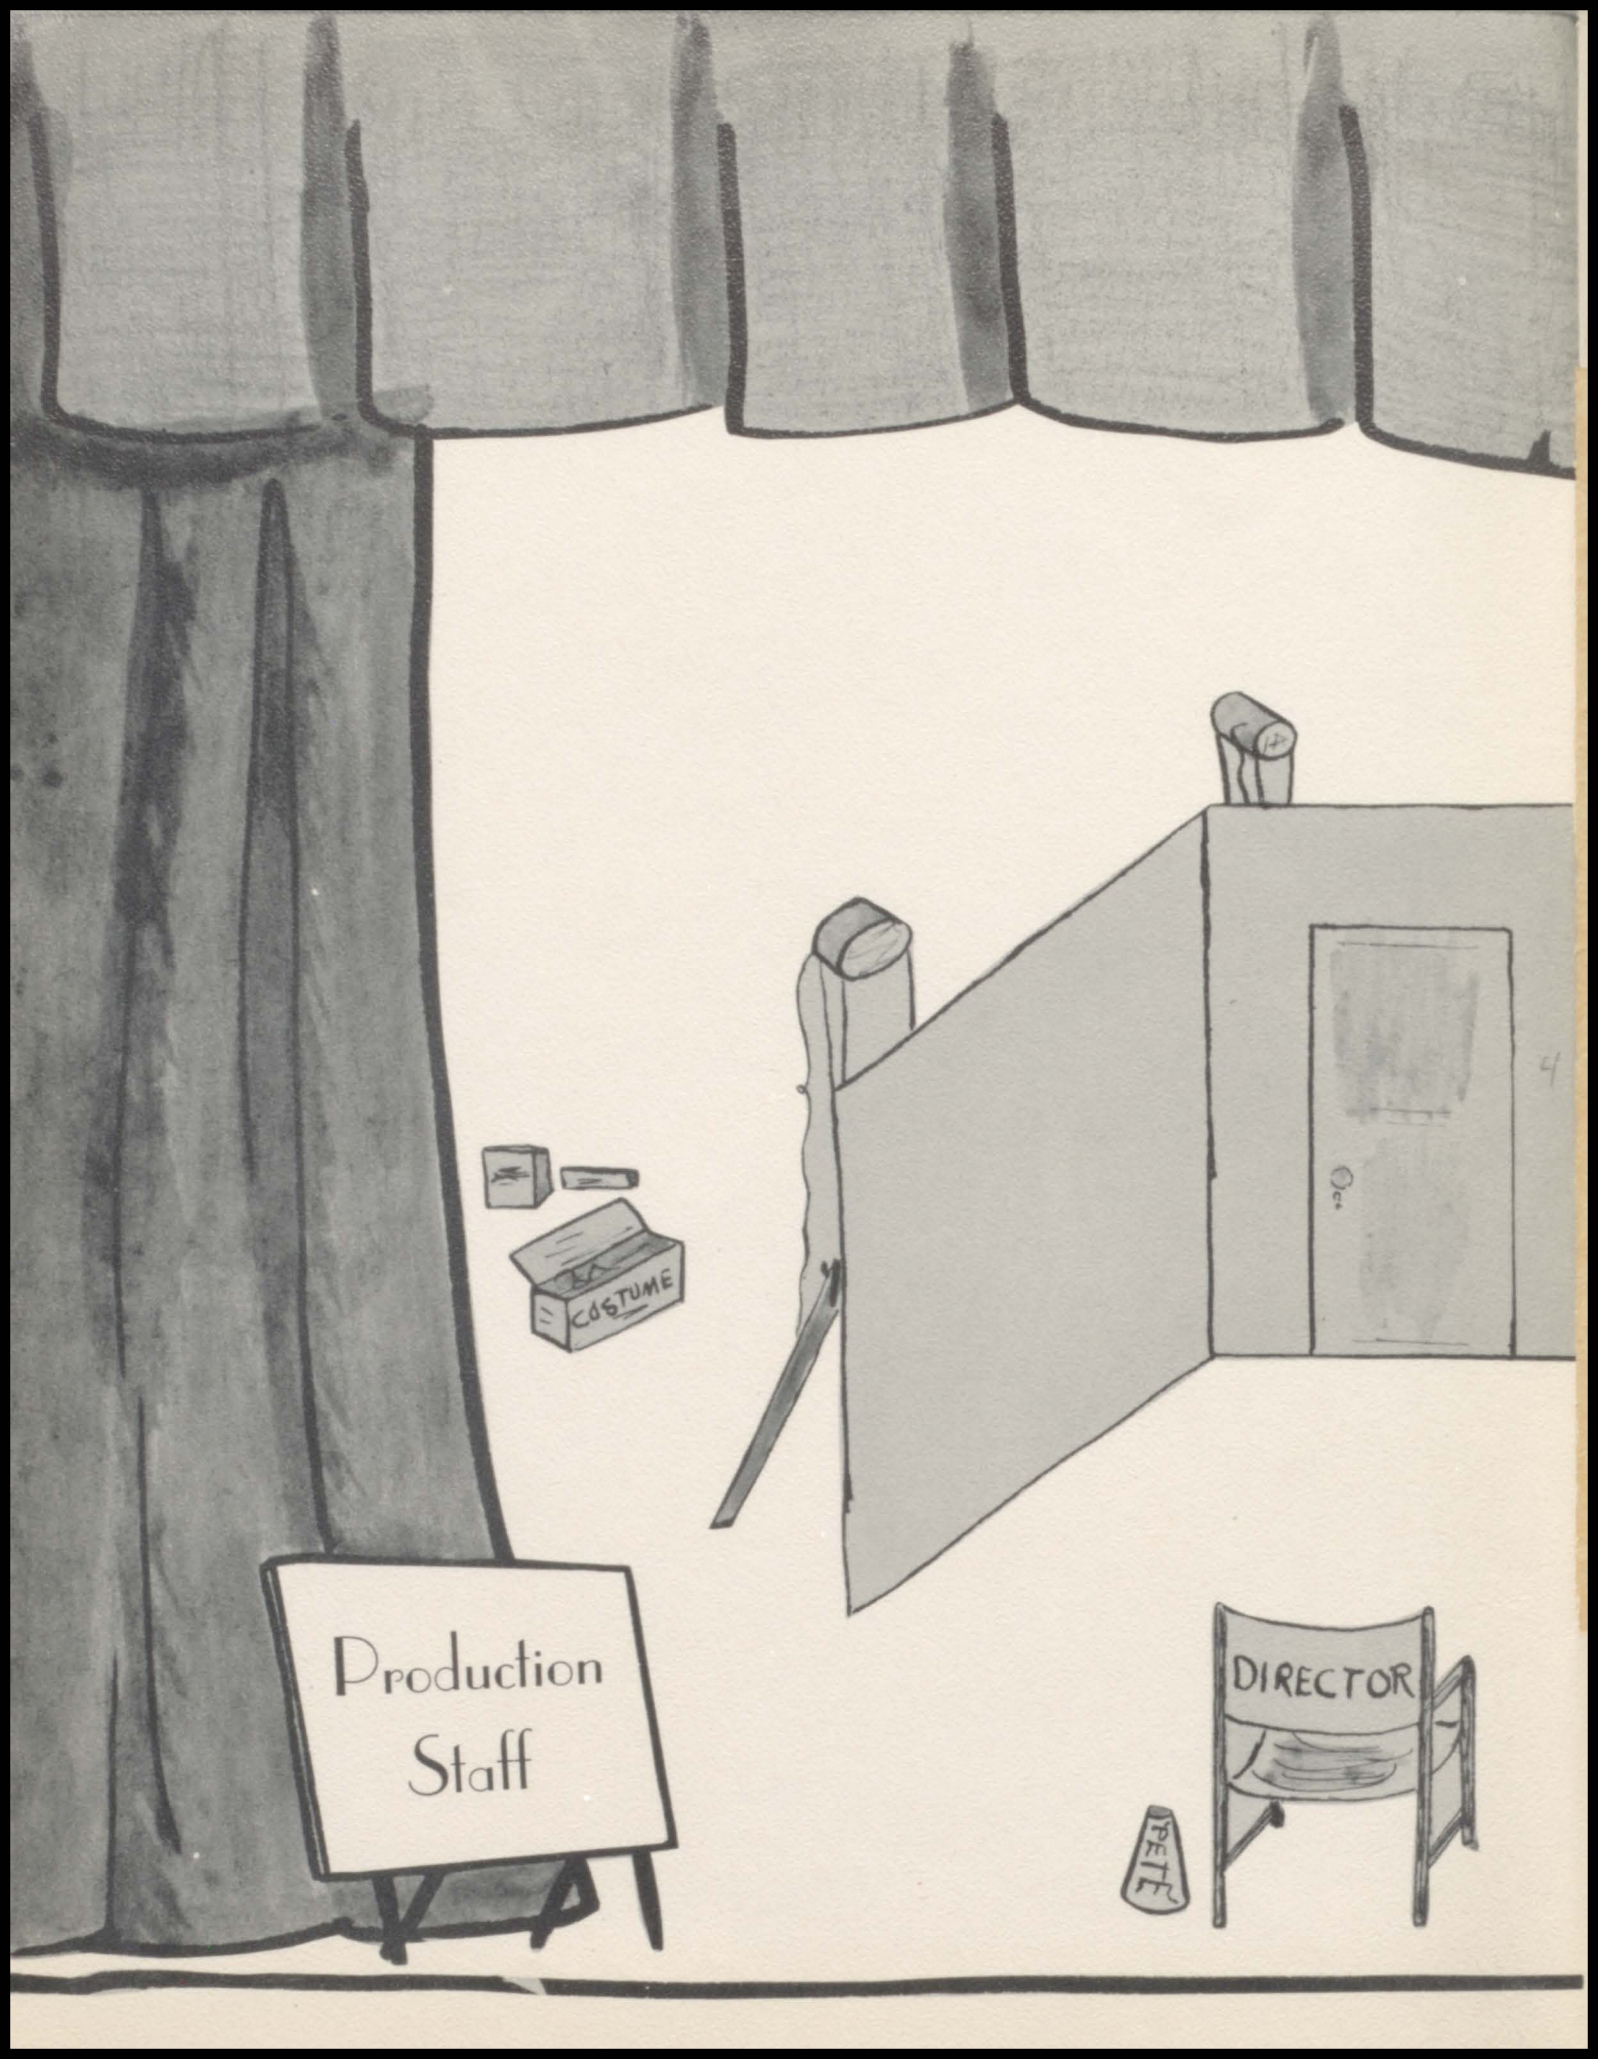

We of the staff want to thank each and every student that helped make this book what it is—a success or a failure, that is up to the individual student to decide. The staff members have merely done what they think was the right thing in cooperation with our two sponsors, Mr. Richard Kinder and Mrs. William Schaefer.

We especially want to thank our loyal advertisers who have played a tremendous part in the making of this book, for without their support such a project would have been in vain.

Many tedious hours of eye straining labor have gone into the binding and pages of this book, but for such an excellent student body, nothing can be too good.

Again we say thanks a million, and many happy returns of the day. May your every undertaking in life be a happy and joyous one, and may your happiness be at a maximum and your sorrow at a minimum. Perhaps a bit of good logic would be appropriate here in this little verse.

Good, better, best
Never let it rest
Until our good is better
And our better's best

Board of Education

BOSS H. P. BENNETT
Secretary

It is the duty of the Board of Education to regulate all activities of the city school system. It supervises the construction of all new buildings and repair of the present plants. Also its responsibilities include the hiring of adequate personnel and the addition of various departments in the curriculum of both grade and high schools.

Each major political party is represented on the board with new members being added at each city election. They are to be commended for their excellent work in giving this high school a well-rounded program such as ours, and we the students of Poplar Bluff Senior High School should be truly grateful.

Junior Class

OFFICERS: Walter Simpson, president; Lois Sheehy, secretary and vice-president; John Simpson, treasurer.

Shortly following the opening of school, the Junior Class held its first meeting with President Walter Simpson presiding. Four sponsors, Mrs. Marie Kinder, Miss Jean Tieman, Mr. Dick Holladay, and Mr. Gene Tink, were chosen to guide the activities in months to follow.

One of the best Junior Carnivals ever held was given by the class on Friday evening, November 30, 1951. The entire class gave their splendid cooperation in making the event a success.

The annual Junior-Senior prom climaxed the year for the Juniors. It was staged on Friday evening, May 9, 1952, before the Seniors took the trip to New Orleans on Sunday, May 11.

The Junior Class always has the greatest responsibilities of the three classes, and this year's class handled its work beautifully.

Bluffer Staff

This staff publishes a bi-monthly student paper, the Bluffer. It tries to interpret impartially and present the news as it pertains to the interest and welfare of the students, faculty, and alumni of Poplar Bluff Senior High School.

It is published on a non-profit basis and is in no sense a money-making project. REVIEWING THE SEASON

The Mules got off to a fair start for '51 by beating West Plains, 18-6, on the home grounds.

They then traveled to Blytheville and played what might be called one of their best games even though they lost 18-7.

Still in Arkansas, they ran into Piggott. The game came out a tie, 13-13, because of a penalty which cost the Mules a touchdown.

Next came Kennett. This was Homecoming game. The queen was Jackie Sue Williams; her attendants were Lorita Bauer and Joan Yount. The queen was crowned by Jim Wells. The Mules won 25-13.

The Mules moved to Jackson. There they won a close one, 13-12, even though Larry Wright wasn't there.

They then went to Cairo. There they clipped the Bluejays wings and won 20-12.

Back home again we met Caruthersville. The "A" team racked up 33, and, for most of the half the "B" squad played. It ended, Mules 33 and Caruthersville 6.

Then Perryville came to town. An inspired team met the Mules and threw them 19-14, even though Perryville had a net yard gain of 6 yards the 2nd half.

Recovering from the blow the Mules met Charleston and in 6 minutes 27 points had been scored. In went the "scrubs". They played the rest of the game and it ended 27-13.

The Turkey Day game was at Cape Girardeau. The boys skinned the Tigers for most of their 43 points the first half. They just had fun the second half, so it ended 43-7 and concluded an excellent season.

Just for the record the opposition scored 113 points while the Mules scored 213, not bad boys!

Summary of Cage Season

The Mules started the current season with an "A" game at Cairo. They took the floor with a bad case of stagefright and were consequently downed by the Pilots.

Then they traveled to Cape Girardeau for the first annual Big Four tournament. Sikeston fell to the Mules in the first round of play and it was Jackson who was the victim in the final night of play. As a result of these two victories we had a big Four championship.

Making their first appearance on the home floor, the Mules had two successive engagements with Bismarck and Desloge on December 21 and 22 and our boys were the winners in both games.

Too much to eat and very little wind caused the Mules to lose out to Delta in the first round of the Christmas tourney at Cape on December 26. To put it mildly we were simply out-hustled, but the boys made a gallant try in the closing three minutes, and were nosed out by two points.

Resuming regular scheduled play after the tournament, the Mules proceeded to knock off Kennett by ten points; Caruthersville in a more contested game by one point; and Jackson on our home floor by seven markers.

Then the Mules took on their arch-rivals, the Doniphan Dons on the Dons' court. We were promptly sunk in that one and found ourselves on the short end of a 55-42 score. However the "B" Mules set the little Dons down in the preliminary game 33-32.

Homecoming was up next but the Cape Tigers put the damper on any victorious celebration plans we might have had. All homecoming celebrations were excellent only the Tigers won the game 50-42.

Once again the Mules hit the road and met the Dexter Bearcats this time. Everyone played in this one and the Mules were easy victors 60-39.

Things weren't so easy with the Blytheville Chickasaws. They had a team with height, but the Mules controlled the backboards, and eked out a one point victory.

Doniphan came over the following Tuesday, bringing everyone but the nightwatchman and the town constable. An inspired team was out for the bacon and we came home with it with a 5-45 victory which sure looked sweet on our side of the ledger.

To make a long story short the Mules won the remaining four regular-scheduled games with wins over Charleston, Bayless, Clarkton and Van Buren to close out the season.

At last the event happened for which we had been looking all season—the regional tournament at Sikeston. Our Mules were seeded first and Sikeston played us on the opening night of the shindig. We promptly greeted them with a 70-49 win and took Kennett in the semi-finals by a score of 68-46. Senath was the only obstacle between us and the state tourney and we met that situation by defeating them 44-31 and it gained for us the right to play in the state meet held in Columbia starting March 5.

First Row: Carroll Greer, Dale Dickens, Eddie Lewis. Second Row: John Stout, Bob Sanner, Bob Harris, Bob King. Third Row: Ken Landreth, Ozzie Krudwig, Harold Palmer, Jim Lohr, Jim Chiles, Jim Cruce.

Resumé of 1951 Track Season

The cinder squad coached by C. E. "Dutch" Wyatt and William "Red" Haynes did very well during the season. The boys placed first in two meets, the Poplar Bluff Invitational and the Poplar Bluff Quadrangle meet. Traveling down to sandy Kennett, the boys came out with second place in the Kennett Invitational affair. The Mules placed third in three contests, the Charleston Invitational, the Big Eight meet, the Cape relays and in the Poplar Bluff tri-state meet held at the local stadium.

The boys then traveled to Columbia for the state meet. Harold Palmer won third in the high jump and the mile relay team won its heat with a

time of 3 minutes and 37 seconds, but it didn't place.

Sixteen letters were awarded to the track and field boys. The following is a list of the lettermen and the number of years they have been awarded monograms. Travis Montgomery 3, Bob Patterson 2, Larry Wright 3, Gene Roberts 2, Harold Palmer 2, Ozzie Krudwig 1, Charles Frey 1, Jack Weeks 1, Jim Cruce 2, Don Brannum 2, Jim Gillaspay 1, John Stout 1, Everett Montgomery 1, George McClary 1, Dewayne Sheehy 1, and George "Oswald" Shadle was given a letter for student manager.
